

ENG 101 : Freshman English 1

A skills-based writing-intensive course that introduces and develops the students' abilities to organize, visualize and write effective paragraphs and essays. The course covers the writing process, and academic oral and written rhetorical moves and grammatical elements specific to a variety of paragraphs and essays. Students will explore and analyse how language is used to achieve communicative goals common to academic writing in various paragraphs and essay genres through in-class writing activities, lectures and homework assignments.
