

3.15 Course Drop and Withdrawal

Students can drop from a course until the last day of the 4th week of a standard term. Withdrawal from a course will be allowed after the end of the 4th week until the end of the 9th week and will be shown as a W on the transcript. After that point withdrawals will not be allowed and students will be graded according to their performance in the course. For the summer semester, students should follow the published Academic Calendar.
