

3.1 How and When to Register

There is a "scheduled early registration" period each semester during which current Alfaisal University students register for the next semester's courses. Each student is assigned a registration time within this period and may not register before this time. Registration times are assigned based on the credit hours earned (and, when applicable, special circumstances).

The Deanship of Student Affairs, Admissions, and Registration urges all students to consult an academic advisor before they register or make changes to their registration.

Students who wish to drop or withdraw from a course should carefully note the [drop and withdraw deadlines](#) since the University rigorously enforces these deadlines.
