

FIN 498 : COOP Training Internship

This course requires students to complete a four month placement as an internee in various local and international organizations across various sectors and industries in KSA. This is an important part of the BBA degree requirements which bridges the gap between theory and practice. Students have the opportunity to get hands-on experience in a variety of areas related to mutual funds, alternative investment, asset allocations, portfolio management, risk management, corporate banking, Investing banking, venture capital, financial statement analysis and corporate valuation among many other finance applications.

Credits 12
