

MGT 499/HRM 498 : COOP Training Internship

This course requires students to complete a four months placement as an internee in various local and international organizations across various sectors and industries in KSA. This is an important part of the BBA degree requirements which bridges the gap between theory and practice. Students will get a chance to get hands-on experience in a variety of areas related to Human Resource Management including workforce planning, recruiting, training and development, compensation, and performance management as well as leadership development in the various local and international organizations across the various sectors and industries in KSA.
