AUPP Curriculum and Exit Criteria

- Instructors will follow a unified syllabus and major assessment schedule for each course.
- Students registered for the same course, i.e., English, science, math, business, or engineering, but enrolled in different sections of the same course, will use the same textbooks, have the same syllabus, and take the same unified exams.
- The minimum passing grade for any AUPP English language course is C for all pathways. Any student earning a C- or below in an AUPP English language course must repeat the course. Under certain circumstances, a student may advance to the subsequent level based on the recommendation of the AUPP English department chair.
